

THE RUGBY QUIZ

THANK YOU!

By hosting a quiz night at your club, and fundraising for the RFU Injured Players Foundation, you are directly supporting rugby players who experience a life changing injury.

To find out more about the IPF and how your fundraising will support rugby players with life changing injuries please visit: www.rfuipf.org.uk/about.

This quiz is made up of 6 rounds, including a picture round, and it's designed for a quiz host to call out the questions (except the picture rounds). There's also an additional Christmas supplement to use if you're using this during the festive season! The answer sheets provided don't have the round names on giving you the flexibility to choose how many rounds you do, and in what order. You can even make up your own rounds to add in based on your audience.

We hope you have as much fun as possible with this quiz. If you'd like any IPF bunting or balloons to support your event, please contact IPF@rfu.com.

Don't forget - please tag us in any photos you put up on social media too:
